

Customer Testimonials – StarDoc

“Maintenance reports, end-of-month and volume reports...they’re history at our facility,”
“Instead of printing them, they are saved directly to our On-line Reporting System.”

Jimmy Chesteen
Lab Director and Clinical Technology Coordinator
Montfort Jones Memorial Hospital
Kosciusko, MS

In less than one year, “I’ve saved at least \$35,000 in paper, ink, wear and tear on printers and personnel time,” McLain said. “And that’s a very conservative figure.”

Kathy McLain
Childress Regional Medical Center
Childress, Texas

We investigated a lot of imaging systems. StarDoc was economical and met all our needs...The quality of the stored image is remarkable...We use StarDoc for managing EKG reports...Comparison readings are vital to patients well being...It'll definitely save lives.

Marlene Thomas
Director of Cardio-Pulmonary Services
Memorial Hospital-West Volusia
DeLand, FL
